

2009 HSC Fishing Contest Results

The Larry McEvers Youth Fishing Tournament was held on Labor Day Weekend. Several young anglers tested their skills at Three Mile Pond on what turned out to be a really beautiful day. Participation in these activities is part of what makes the HSC a great place. The tournament is sponsored by the Fish and Game Committee and their designees.

Emma Kato

Flora McEvers and youth winners Jack McEvers and Avery Dailey with their trophies.

Successful Anglers

Students from the LSSU Fish and Game Club and Dr. Steinhart were on hand throughout the weekend to assist in identifying, weighing, measuring and taking photos of the fish caught. Many thanks to the HSC volunteers on hand that made it a very successful tournament.

Keep Labor Day weekend in mind next year for the second annual "Larry McEvers Youth fishing Tournament".
